Coroner Bill Finds No Criminal Negligence in Accident Which Resulted in Death of Philip Caffary—Satisfaction With Saturday's Ball Game—Funeral of Rev. Joseph L. A. Potvin, M. S., Attended by Mourning Parishioners—Labels Trophy on View.

The following is the finding of Coroner Arthur G. Bill, in the case of the accidental death of Philip Caffary of Attitash, who was killed on the West Side two weeks ago tonight:

The undersigned, coroner within and for the County of Windham having been notified of the death of Philip H. Caffary in Brooklyn, Conn., on the first day of May, 1916, I proceeded to view the body of said deceased, and the location and surroundings of the place where the accident occurred, and on the 14 day of May, 1916 had an inquest at my office in Danielson, Conn.

From testimony taken at said inquest, I find that the said Philip H. Caffary died in said Brooklyn on the said 1st day of May, 1916, from being struck by an automobile driven by George W. Eastment, who said that Philip H. Caffary was on a motorcycle being upon a motorcycle driven by said Caffary and coming from a driveway near the house occupied by Frank Moore, out and upon Main street, in East Brooklyn. The collision throwing said Caffary violently to the ground, fracturing his skull and causing instant death.

I find that said automobile at time of said accident was running easterly at a moderate rate of speed and that said motorcycle was driven by said Caffary out of said driveway without his giving any signal or warning, and that said accident was unavoidable by the driver of said automobile.

I therefore find that said death was not due to the criminal act or carelessness of any other person or persons. I delivered the body of said deceased to Louis E. Kennedy, the undertaker, designated by his relatives, to be prepared for burial.

I file with this finding the testimony taken at said inquest. Dated at Killingly, this 15th day of May, A. D. 1916.

ARTHUR G. BILL,
Coroner for Windham County.

BURIAL IN HARTFORD.

Body of Rev. Joseph L. A. Potvin, M. S., Rests in Lashette Cemetery Plot—Solemn High Mass of Requiem at St. James' Church.

At St. James' church, Saturday morning at 8.30 o'clock there was a solemn high mass of requiem for the Rev. Joseph Louis Armand Potvin, M. S., who died at St. James' rectory early

Thursday morning. The officers of the mass were S. Forester, M. S., of Hartford, celebrant; Rev. Zoticus Choudhury, M. S., Hartford, deacon, and Rev. J. C. Mathieu, Wauregan, sub-deacon.

A score of priests, members of the missionary order of LaSalette and the pastors and assistants in Eastern Connecticut parishes were within the man-

crowds will grow with the interest in the team, which showed splendidly on Saturday, all things considered. The forecast is for crowds of from 1,000 to 1,500 people for the mid-season games. If this prediction is realized it means a great team for Danielson, for the management represents the Business Men's association, and the team is not being run to pile up profits. What comes in at the gate will be put back in the team and ground and seating improvements, leaving only sufficient surplus to adequately finance the organization. The team management feels highly pleased and encouraged over the support and live interest shown Saturday and not the least of the satisfaction lies in the fact that a large number came here from out of town solely on account of the ball game.

At the Beach.

Homer Dixon and Harry Baldwin were at the W. L. Dixon cottage at Crescent beach over Sunday.

John Dove and Clayton Phillips, of New Haven, of Brown University, spent the week end with Mr. H. S. Dove.

Mr. and Mrs. O. L. Peterson and Miss Clara were in the Wheeler motor to Boston Saturday.

Earl P. Wood of Brown university spent the week end with his parents, Mr. and Mrs. A. F. Wood.

Henry C. Lovering of Fall River visited friends in Danielson over Sunday.

Mr. and Mrs. C. S. Francis and Mr. and Mrs. W. M. Franklin motored to Hartford, Sunday.

Disposes of Interest.

Fred Dubuc has disposed of his interests in the firm of Dubuc and Wheatley to W. W. and W. B. Wheatley. The firm hereafter will be known as Wheatley and Son, Mr. Dubuc remaining with the concern.

To Combat Dust Evil.

First Selectman Louis E. Young is arranging for the sprinkling of side streets leading into Main street. This sprinkling is expected to stop most of the dust trouble.

Chance For New Industry.

Danielson might have a garment makers' industry had it a vacant factory at the present time to house the enterprise, one that had been given employment to several hundred girls.

This week operatives in local mills will get the advances in wages to manufacturers in this section about two weeks ago and as a result the feeling of the operatives is one of cheerfulness.

Home From the South.

After twelve weeks in Florida and other southern states, Mr. and Mrs. Ira D. Martin have returned to Danielson, both rested and greatly benefited by their trip. They will remain here for a time and then go to Maine. While in the south they purchased property at Sanford, Florida, and will return there next fall.

BEAUTIFUL PRIZE CUP.

Labels Trophy Placed on Exhibition by Donor Saturday.

The Labels trophy, to be awarded the team winning the championship of the Northern division of the Inter-

collegiate league, of which the Killingly High School team is a member, was placed on exhibition Saturday by W. E. Labels, the donor, in a window of his Main Street store. The cup is a beauty, one of the finest trophies ever offered to a team gaining athletic supremacy in the section. The cup will be exhibited in Putnam, Webster, Williamstown and Southbridge, these towns having teams that are competing for the cup, which stands about two feet in height.

MOTORISTS ACQUITTED.

No Case of Oversteering Established Against Charles H. Pellett and Edwin Adams.

Charles H. Pellett and Edwin Adams, both of Danielson, were acquitted after a hearing before Justice Clarence E. Cundall in the town of Brooklyn, Saturday morning on the charge that they had violated the motor vehicle laws by oversteering, while operating their machines in the town of Brooklyn one day last week. No witness testified that the speed of the machines at the time complained of was in excess of 20 miles an hour and it was established that the highway over the section, between the county jail and a point east of the schoolhouse, was clear of persons and vehicles at the time it was claimed the machines were oversteering. The defendants were represented by Judge Harry E. Back.

After the hearing Mr. Pellett said that he was merely trying to pass the light truck that Adams was driving so he would not have to ride in a dust cloud, and that he had just started on a dead end at the foot of the hill. He was demonstrating a car at the time to Deputy Sheriff and Mrs. Edwin Bennett of Brooklyn.

The automobile has been under attachment at local garage for some time and was sold to satisfy judgments recently obtained against Rev. Mr. Marvin in a justice's court in the town of Pomfret, the judgments being in favor of two garage owners in that town, they having bills against the clergyman.

The automobile, an old machine, brought \$15.

THROWN OUT OF CAFE; FOUND WITH LEG BROKEN.

Henry Allerle of Woonsocket Attempted to Heckle Bartender and Was Ejected With Force.

Captain Joseph Ryan was engaged Saturday in an investigation of the circumstances surrounding the manner in which Henry Allerle, aged about 30, a resident of Woonsocket, came to receive a broken leg Friday evening.

Captain Ryan learned that Allerle, who has been represented to Captain Ryan as having been in an intoxicated condition at the time, entered Smith's cafe on South Main street and started to create a disturbance. An effort was made to quiet him according to the story told Captain Ryan at the cafe, but he would not be quieted, and started to wrestle the bartender, tearing a sleeve out of the employee's coat. Allerle was thereupon ejected from the place.

Almost immediately afterwards he was noticed lying in the street by people who were in the vicinity and was assisted to the sidewalk. Patrolman Julius Cordier appeared and Dr. E. F. Perry was summoned. The physician found that Allerle had his right leg broken above the knee, and ordered him removed to the hospital, where the break was given attention.

After his investigation, Captain Ryan asked Proprietor Samuel Smith if he would be responsible for the appearance in court of the employee who had a part in the ejection of Allerle, and that Captain Ryan says Mr. Smith agreed to do. It is not likely that there will be any court proceedings in the case until such time as a number of weeks hence, as Allerle may be able to appear in court as a witness.

TAKEN TO BRIDGEPORT.

Herman Ledger, Through Clemency of Woolworth Store Manager, Gets Off Easy—Must Answer to Park City Theft Charge.

Herman Ledger, 21, arrested here Friday for having committed thefts at the Woolworth store, was on Saturday turned over to Officer Patrick Dooley of the detective bureau of the Bridgeport police department and taken to that city, where he is wanted on another charge of having committed a theft.

The local case against Ledger was adjusted after a conference between police officials, Manager W. D. Wilson of the Woolworth store, Ledger and the proprietor of the rooming house where he has been staying while in this city—Mrs. Malvina Bishop on Ledger's appearance in court. Here he pleaded guilty to theft and was fined \$7 and costs, the case being placed on file and Ledger turned over to the Bridgeport officer.

It was later announced that Mrs. Bishop had restored to Manager Wilson \$40 in money which it is understood Ledger had turned over to her for safe keeping, but it was not admitted by Ledger that this was any of the money—the \$50—missed last week from the Woolworth store. In consideration of receiving \$40, however, Mr. Wilson made a plea of clemency for Ledger.

Ledger will be asked in Bridgeport what he had done about the \$150 worth of clothing from a rooming house in that city. His claim is that a friend of his, who stayed with in Hartford stole the clothes, but did not make the fact known to him until some time after the theft.
